SUPPLYED HARDWARE WARRANTY

LIMITED LIFETIME WARRANTY

SUPPLYED proudly extends a Lifetime Limited Warranty (Warranty) on all SUPPLYED hardware products. This Warranty extends to the original commercial and retail purchaser. This Warranty does not cover normal wear and tear or any damage or loss caused by accidents; alterations; misuse; abuse or extraordinary use; exposure to salt air; insect damage; improper installation; cleaning or other maintenance. Moving the product from its original place of installation will void the Warranty. All fabrics and woods will gradually lose color intensity after extended exposure to the sun. Prolonged periods of direct sunlight may also cause plastics to yellow or crack. Warranty does not cover any color loss due of the aforementioned circumstances. All cords will eventually wear out. SUPPLYED considers these things as normal wear and tear not covered by this Warranty. Warranty does not cover removal, re-installation, replacement, or shipping costs.

THIS IS WARRANTED TO THE ORIGINAL CONSUMER FOR AS LONG AS THEY OWN THE PRODUCT

The Warranty coverage will be for as long as the original retail or commercial purchaser owns the product. Any implied warranties are limited in duration to the time during which the original retail purchaser owns the product. If a SUPPLYED product is found to be defective during the warranty period, we at our discretion, will either repair or replace, without charge, the defective product. If the product is discontinued, we reserve the right to replace the defective item with the closest equivalent product. If a SUPPLYED product is found to be defective during the warranty period and in no event shall SUPPLYED be liable for costs to remove, transport, or reinstall the product, or incidental or consequential damages. To obtain service under this Warranty, return the product along with the original sales receipt to the dealer it was purchased. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
